
Title: Happy Halloween!!

Author: Ceinwyn ab'Arawn

Don't ever laugh when a
hearse goes by
or you may be the next
to die.
They wrap you up in
fancy dress,
only to end up a great
big mess.
They put you in a great
big box,
and cover you up with
dirt and rocks.
They take you to the
family plot,
and there you stay, decay
and rot.
For you, they make a
flower wreath,
and bury you under
'bout six feet deep.
But maybe then your
soul's not free,
'cause you can hear
Psalm 23.
You scream and fight and
bang your head,
but they assume you're
really dead.
They shove you down into
the earth,
and now your lungs begin
to hurt.
You yank the rope to
ring the bell,
you call for God and
you're cursing Hell.
Then all goes well for
about a week
and then the coffin it
begins to leak ...

And ... the ...

Worms crawl in ...
the worms crawl out ...
the worms play pinochle
on your snout.

They eat your eyes ...
they eat your nose ...
they eat the jelly
between your toes.
There's one little worm
that's not so shy ...
crawls in your ear and
out your eye;
Your guts turn a gassy
green
and snot comes out like
thick whipped cream.
And when your bones they
begin to rot,
The worms are there but
you are not;
Your ears fall off,
your teeth decay,
A rotten way to end the
day!
